## Genesol 40 - Acidic Membrane Cleaner

Call for price ( 01728262625 )

### Genesol 40 - Acidic Membrane Cleaner

Brand : Genesys

Appearance : colourless liquid

PH as supplied: 3.5-4.0

Specific gravity: 1.171.20

Freezing point : - 0±C

### Application of Genesol 40 - Acidic Membrane Cleaner:

For optimal performance, apply Genesol 38 as a 3-4% solution, soaking and recycling it alternately through the membrane system for 1-2 hours. The cleaning solution's pH stabilizes at 3.7; if it exceeds 4.2, replace it with a fresh solution. Follow membrane manufacturers guidelines, cleaning at 25-30±C. After cleaning, neutralize Genesol 38 solutions to pH 6-8 with an alkaline solution before discharge to prevent damage to concrete and cement-lined pipes. Thoroughly flush the membrane system before returning to service, ensuring pH alignment. Despite initial high product water conductivity, it normalizes after a few hours. Genesol 38 is dilutable

and fully miscible with water in all proportions. Trust in Genesys Chemicals for advanced water treatment solutions, including Genesis Antiscalant and RO Antiscalant, ensuring excellence in every application.

### **Benefits of Genesol 40 - Acidic Membrane Cleaner:**

- ✓ Suitable for use in Reverse Osmosis (RO) and Nano-Filtration (NF) membranes
- ✓ Effective against inorganic deposits
- ✓ Preferred product for removing iron deposits
- ✓ Self adjusting pH ensures optimum solubility of iron salts
- ✓ Approved for use in drinking water applications (UKDWI)
- ✓ Compatible with both polyamide and cellulose acetate membranes
- ✓ Effective against aluminium based foulants

### **Why Choose Aquafit Technologies for Your Water related product**

**When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:**

- 1. Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
- 2. Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
- 4. Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
- 5. Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.

**7. 24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

**8. 100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

**9. Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

**10. Flexible Payment Options:** We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

**Choosing Aquafit Technologies** means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
