Aquafit Water Cooling dispenser 2 Tap (Cold and Normal)

Experience refreshment like never before with our state-of-the-art cooling dispenser, designed to provide both cold and normal water at the touch of a button. Engineered for efficiency and built with top-tier materials, this dispenser is perfect for homes, offices, and commercial spaces.

Crafted from high-quality stainless steel, it ensures durability and a sleek, modern aesthetic. The powerful cooling system, driven by an

advanced compressor, delivers consistently chilled water, while the hot water function ensures your tea, coffee, or soups are just a tap away.

This cooling dispenser is energy-efficient, easy to maintain, and built for long-lasting performance. Its compact design makes it easy to fit into any space, while the dual faucet system offers convenience for both Normal and cold water. With a spacious storage tank, you'll always have water ready when you need it, whether for a busy workplace or a bustling home. Perfect for anyone looking to upgrade their hydration solutions, this cooling dispenser combines functionality with style, offering reliable performance day in and day out.

Why Choose Aquafit Technologies for Your Domestic Water Purifier Needs

When it comes to selecting a domestic water purifier, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

- 1. Economical Pricing:** We offer high-quality water purifiers at competitive prices, ensuring that you get the best value for your money without compromising on quality.
- 2. Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
- 3. Three Years of Free Servicing:** Enjoy peace of mind with our three-year free servicing offer, which covers regular maintenance and repairs, reducing long-term costs.
- 4. EMI Opportunities:** To make our products more accessible, we offer EMI options, allowing you to spread the cost of your purchase over manageable monthly payments.
- 5. Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
- 6. Affordable Filter Parts:** We provide filter parts at the lowest prices, making it economical to maintain your purifier and keep it running.

efficiently.

7. 24/7 Service Centers: Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated water purifiers and join the many satisfied clients who trust us for their water purification needs.

Terms & Conditions for Online Purchase of Aquafit Brand all types of Dispensers

1. General Terms

- By purchasing the Aquafit Brand cooling / Hot & Cooling / Hot and cooling with purifier Dispenser online, the client agrees to abide by these terms and conditions.
- Aquafit Technologies reserves the right to update or modify these terms at any time without prior notice.

2. Product Information & Order Placement

- The product description, specifications, and images on the website or online platform are for reference only. Minor variations may occur due to updates in design or manufacturing.
- Clients are responsible for reviewing product details and ensuring suitability

before placing an order.

- Aquafit reserves the right to cancel or reject any order due to incorrect pricing, stock unavailability, or suspected fraudulent activity.

3. Pricing & Payment

- Prices displayed are exclusive of VAT (as applicable) and subject to change without notice.
- Payment must be made in full via the available payment methods (Bank Transfer, Mobile Banking, Credit/Debit Card, EMI, etc.).
- EMI (Equated Monthly Installment) options are available with selected banking partners, subject to approval.

4. Shipping & Delivery

- Orders are processed within 1-3 business days (if in stock) and 5-15 business days (if out of stock) after payment confirmation.
- Shipping charges vary based on the delivery location and will be displayed before checkout.
- Courier Selection:
 - If Aquafit's designated courier service is used, Aquafit takes full responsibility for any damages during transit. The client must inspect the goods thoroughly upon receipt. If there are any complaints, the client must contact the Aquafit help center while still at the courier office. Aquafit will not be responsible for any damage or broken parts caused by personal transportation.
 - If the client chooses their own courier, Aquafit is not responsible for any loss or damage during transportation.
- Clients must inspect the package upon delivery and report any damage within 24 hours of receiving the product.

5. Return & Replacement Policy

- Clients can return the dispenser within 72 hours of delivery if any manufacturing defect is found.
- Returns must meet the following conditions:
 - The product must be unused and returned in its original packaging with all accessories and documents.

- Clients must provide proof of defect (e.g., photos, videos, or a technical report).
- The return shipping cost is borne by the client, unless the defect is verified by Aquafit.

6. Warranty Terms & Exclusions

Aquafit provides a warranty under the following conditions:

- The warranty only covers manufacturing defects and technical faults in the dispenser.
- Warranty does NOT cover issues arising from:
 - Improper voltage supply (over-voltage, low-voltage, or unstable generator power).
 - Loose or faulty electrical connections.
 - Damage due to external water sources (e.g., saline water, high TDS water, excessive humidity).
 - Physical damage, accidental breakage, or misuse by the client.
 - Installation in unsuitable locations (e.g., wet areas or direct exposure to sunlight and rain).
 - Damages due to natural disasters (floods, earthquakes, storms, lightning, etc.).
 - Unauthorized repairs, modifications, or tampering by third parties.

7. Warranty Claim Process

- Clients must send the defective product to the nearest Aquafit sales center at their own cost.
- If the claim is approved, Aquafit will service or replace the dispenser free of charge.
- If an Aquafit technician is required to visit the client's location, the client must bear all transportation and food costs.

8. Cancellation & Refund Policy

- Orders cannot be canceled after payment confirmation unless the item is out of stock or undeliverable.
- Refunds will be issued only for canceled orders or defective returns, subject to verification.

- Processing time for refunds is 7-14 business days, depending on the payment method.

9. Limitation of Liability

- Aquafit is not responsible for any indirect, incidental, or consequential damages caused by improper use of the dispenser.
- In case of any dispute, Aquafit's maximum liability is limited to the product's purchase value.

10. Governing Law & Dispute Resolution

- These Terms & Conditions shall be governed by the laws of Bangladesh.
- Any disputes shall be settled through negotiation, and if unresolved, referred to the Bangladesh Arbitration Tribunal.

Acknowledgment

By purchasing the Aquafit Brand Cooling Dispenser, the client acknowledges and agrees to abide by these terms and conditions.
