Electric Auto Flush Valve- 100GPD

Call for price (01728262625)

Auto Flush Solenoid Valve is designed to streamline the operation of your reverse osmosis (RO) system. By automatically flushing the membrane at regular intervals, this valve helps to:

- **Improve System Efficiency:** Prevent clogging and fouling of the membrane, ensuring optimal water filtration.
- **Extend Membrane Lifespan:** Remove accumulated contaminants before they can damage the membrane, saving you money in the long run.
- **Ensure Consistent Water Quality:** Maintain a reliable supply of pure, clean water.

Key Features of Electric Auto Flush Valve- 100GPD:

- **Automatic Flushing:** Ensures regular membrane maintenance without manual intervention.
- **Adjustable Flush Cycle:** Customize the frequency of flushes to suit your specific needs.
- **Durable Construction:** Built to withstand the demands of continuous operation.
- **Easy Installation:** Seamless integration into your existing RO system.

Applications of Electric Auto Flush Valve-100GPD:

- Residential RO systems
- Commercial RO systems
- Industrial water treatment

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. **Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
5. **Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
7. **24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
