Electric Auto Flush Valve- 400GPD

Call for price (01728262625)

Key Features Electric Auto Flush Valve- 400GPD :

- **Flow Rate:** 400 GPD (Gallons Per Day)
- **Activation:** Sensor-activated for touchless operation
- **Power Source:** Low-voltage operation for energy efficiency and safety
- **Flush Cycle:** Adjustable flush time for optimal water usage and performance
- **Construction:** Durable brass or stainless steel construction for long-lasting performance and corrosion resistance
- **Anti-Siphon Technology:** Prevents backflow of wastewater into the water supply
- **Tamper-Resistant Design:** Protects the valve from vandalism and tampering

Benefits of Electric Auto Flush Valve- 400GPD:

- **Exceptional Performance:** Handles high-volume traffic with ease, ensuring consistent and reliable flushing.
- **Enhanced Hygiene:** Eliminates the need for manual contact with the flush handle, reducing the spread of germs and improving overall

hygiene.

- **Water Conservation:** Adjustable flush cycle allows for optimized water usage, reducing water consumption and saving on water bills.
- **Cost-Effectiveness:** Reduces water bills and maintenance costs over time due to its durability and efficient operation.
- **Improved User Experience:** Provides a convenient and hygienic touchless flushing experience for all users.
- **Easy Installation and Maintenance:** Designed for easy installation and straightforward maintenance, minimizing downtime.
- **Ideal for High-Traffic Environments:** Perfect for public restrooms, commercial buildings, educational institutions, healthcare facilities, and other locations with heavy foot traffic.

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. **Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
5. **Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
7. **24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
8. **100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
