Ecosoft RO Water Purifier (Hot-Cold-Normal)

Price : 18500.00 /-20000.00

Brand: Ecosoft

Capacity: 75 GDP

Filtration Stage: Five

Water Type: Hot, Cool, Normal

Key Features of Ecosoft RO Water Purifier (Hot-Cold-Normal):

- **Advanced Reverse Osmosis (RO) Purification:** Multi-stage filtration process effectively removes up to 99% of impurities, ensuring pure and safe drinking water. This is particularly important in Chittagong where water quality can be a concern.
- **Hot, Cold, and Normal Water Dispensing:** Provides instant access to water at three different temperature settings, catering to various needs throughout the day and eliminating the need for additional appliances.
- **Built-in Heating and Cooling System:** Efficiently heats water to a suitable temperature for hot beverages and chills water for a refreshing drink, especially welcome in Chittagong's warm weather.
- **Multiple Filtration Stages:** Typically includes pre-filters (sediment,

carbon), an RO membrane, and a post-carbon filter to ensure thorough purification and enhance taste.

- **Storage Tank:** Equipped with a storage tank to provide a readily available supply of purified water at all times, crucial during potential water supply fluctuations in Chittagong.
- **User-Friendly Interface:** Simple and intuitive controls for selecting desired water temperature and dispensing.
- **Leak Detection System (in some models):** Provides an added layer of safety by automatically shutting off the water supply in case of leaks.
- **Compact and Modern Design:** Designed to fit seamlessly into modern kitchens or office spaces in Chittagong.
- **Mineralization (in some models):** Some advanced models may reintroduce essential minerals to enhance the taste and health benefits of the purified water.

Key Benefits of Ecosoft RO Water Purifier (Hot-Cold-Normal):

- **Safe and Healthy Drinking Water:** The RO purification process ensures the removal of harmful contaminants, providing peace of mind about the quality of your drinking water, especially vital in Chittagong.
- **Convenience of Temperature-Controlled Water:** Instant access to hot, cold, and normal water saves time and effort, eliminating the need for boiling water or refrigerating it separately, a significant advantage in busy Chittagonian households and offices.
- **Cost-Effective Solution:** Reduces the reliance on expensive bottled water, leading to long-term cost savings for households and businesses in Chittagong.
- **Environmentally Friendly:** Minimizes plastic waste associated with bottled water consumption, contributing to a greener environment in Chittagong.
- **Improved Taste of Water:** The filtration process removes chlorine and other taste-altering substances, resulting in clean and refreshing drinking water.
- **Space-Saving Design:** Combines the functions of a water purifier, kettle, and water dispenser into a single unit, saving valuable counter or floor space in Chittagong's often compact living and working environments.
- **Easy to Use and Maintain:** Designed for user convenience with simple operation and relatively straightforward filter replacement procedures.
- **Reliable Water Supply:** The storage tank ensures a constant supply of purified water, even during temporary water supply disruptions that can occur in Chittagong.

- **Enhanced Hydration:** Easy access to palatable and temperature-controlled water encourages better hydration habits for the health and well-being of individuals in Chittagong's climate.

Why Choose Aquafit Technologies for Your Domestic Water Purifier Needs

When it comes to selecting a domestic water purifier, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality water purifiers at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
3. **Three Years of Free Servicing:** Enjoy peace of mind with our three-year free servicing offer, which covers regular maintenance and repairs, reducing long-term costs.
4. **EMI Opportunities:** To make our products more accessible, we offer EMI options, allowing you to spread the cost of your purchase over manageable monthly payments.
5. **Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
6. **Affordable Filter Parts:** We provide filter parts at the lowest prices, making it economical to maintain your purifier and keep it running efficiently.
7. **24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
8. **100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.
9. **Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.
10. **Flexible Payment Options:** We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated domestic water purifiers and join the many satisfied clients who trust us for their water purification needs.
