BactaServe Bioculture Aerobic

Call for price (01728262625)

Features of Bacta Serve Bioculture Aerobic:

- **High-Quality Microorganisms:** Contains a carefully selected blend of microorganisms that are highly effective in degrading organic pollutants.
- **Wide pH Range:** Tolerates a wide range of pH conditions, ensuring optimal performance in various wastewater environments.
- **Highly Concentrated:** A small amount of product goes a long way, providing cost-effective treatment solutions.
- **Easy to Use:** Simple application process for convenient use.

Key Benefits Bacta Serve Bioculture Aerobic:

- **Reduced COD & BOD:** Significantly lowers chemical oxygen demand (COD) and biochemical oxygen demand (BOD), reducing the pollution load on the environment.
- **Improved Sludge Reduction:** Promotes the growth of beneficial microorganisms that help break down sludge, leading to reduced sludge volume and disposal costs.

- **Odor Control:** Reduces unpleasant odors associated with wastewater treatment processes.
- **Enhanced Nutrient Removal:** Effectively removes nutrients like nitrogen and phosphorus, improving water quality.
- **Improved Treatment Plant Performance:** Optimizes the overall performance of ETPs and STPs, resulting in higher efficiency and lower operating costs.

How to Use:

1. **Dose:** Add 20 grams of Bacta Serve per 10 liters of wastewater.
2. **Application:** Suitable for various treatment processes, including activated sludge, sequencing batch reactors, and moving bed biofilm reactors.

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. **Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
5. **Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
7. **24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
8. **100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer

satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
