Electronic Metering Pump

Call for price (01728262625)

Manufacturer: LMI

Product type: Metering Pump

Manual Control: B12 : 4.5 GPH (17.1 h), 50 psi

Power Code = 3 :

Voltage Code : 240-250 VAC

Plug : DIN Plug

Maximum Flow (GPD) :108

Maximum Flow (GPH) : 4.5

Key Features of Electronic Metering Pump:

- **Accurate Flow Control:** Our pumps provide precise control over liquid flow rates, ensuring optimal dosing and process efficiency.
- **Versatile Applications:** Suitable for various industries, including

chemical processing, pharmaceutical manufacturing, food & beverage production, and more.

- **Durable Construction:** Built with high-quality materials and robust design for long-lasting performance.
- **Easy to Operate:** Intuitive user interface and simple programming for effortless operation.
- **Customizable Options:** Available in various sizes, flow rates, and materials to meet your specific requirements.

Applications of Electronic Metering Pump:

- Chemical Dosing
- Pharmaceutical Manufacturing
- Food & Beverage Processing
- Water Treatment
- Laboratory Applications
- And more...

Benefits of Our Electronic Metering Pumps:

- **Improved Efficiency:** Precise dosing reduces waste and improves overall process efficiency.
- **Enhanced Accuracy:** Consistent flow rates ensure accurate product formulation.
- **Reduced Maintenance:** Our pumps are designed for minimal maintenance, reducing downtime and costs.
- **Versatility:** Suitable for a wide range of liquids and application.

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. **Extensive Service Network:** With over fifty service centers across

Bangladesh, we ensure that help is always close by, no matter where you are.

5. Affordable Parts: We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.

7. 24/7 Service Centers: Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
