Features of FRP Vessels Tanks:

PE liner with FRP filament winding, high quality

Full choice of pressure tanks from 6μ-72μ in diameter and 13μ-110μ in height

Available in natural, blue, black, grey and any other colors on request

NSF and CE certified

FRP Vessels Tanks 4< Open Top & Bottom Operating Specifications:

Operating Pressure: 150 psi (10.5 Bar)

Operating Temperature: 34-120°F/1-49°C

Max Vacuum: 5" Hg(127mm Hg)

Lowest exposed Temperature 7°F(27°C)

FRP Vessels Tanks 4< Open Top & Bottom Testing parameters:

Exceed 100,000 times of fatigue cycle test under 0-150psi

Burst pressure test at 600psi

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. Economical Pricing: We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. Rapid Service: Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. Extensive Service Network: With over fifty service centers across Bangladesh,

we ensure that help is always close by, no matter where you are.

5. Affordable Parts: We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.

7. 24/7 Service Centers: Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
