## G-ion Cation Resin

Call for price ( 01728262625 )

**Model:** G-ion Cation Resin

**Origin:** China

**Type:** Cation exchange resin

**Functional group:** Negatively charged ion (such as sulfonic acid)

**Matrix:** Plastic beads (such as styrene divinylbenzene)

**Particle size:** 0.315mm-1.250mm

**Exchange capacity:** 24.50 mmol/g

**Volume exchange capacity:** 21.80 mmol/ml

**Shipping weight:** 0.77-0.87 g/ml

### Key Features G-ion Cation Resin:

- **Superior Hardness Removal:** Effectively removes calcium and magnesium ions, preventing scale buildup and mineral stains.
- **Long-Lasting Performance:** Provides consistent water softening results

over an extended lifespan.

- **High Exchange Capacity:** Ensures efficient ion exchange, even in challenging water conditions.
- **Easy Regeneration:** Can be easily regenerated with a salt brine solution.
- **Compatible with Various Systems:** Suitable for residential, commercial, and industrial water treatment systems.

### Applications of G-ion Cation Resin:

- **Residential Water Softening:** Improves water quality for household use, preventing scale buildup in appliances and fixtures.
- **Commercial Water Softening:** Ensures soft water for industrial processes, reducing maintenance costs and improving product quality.
- **Industrial Water Treatment:** Removes hardness minerals from process water, preventing scale formation and equipment damage.

### Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. **Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
5. **Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
7. **24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

**8. 100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

**9. Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

**10. Flexible Payment Options:** We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
