P series Stainless Steel SUS316 Sewage Submersible Pump

Call for price (01728262625)

Key Features of P series Stainless Steel SUS316 Sewage Submersible Pump:

- Corrosion Resistance: Constructed with high-quality stainless steel (SUS316) for excellent corrosion resistance.
- Powerful Performance: Delivers high flow rates and head pressures.
- Reliable Operation: Designed for continuous duty in demanding conditions.
- Anti-Clogging Impeller: Reduces the risk of clogging, ensuring smooth operation.
- Automatic Float Switch: Controls the pump's operation based on liquid levels.
- Thermal Overload Protection: Protects the motor from overheating.

Technical Specifications of P series Stainless Steel SUS316 Sewage Submersible Pump:

- Power Range: Available in various power ratings to suit different applications.
- Voltage: Typically operates on 380V or 415V three-phase power supply.
- Frequency: Standard 50Hz or 60Hz.
- Flow Rate: Up to 160 l/min (9.6 m³/h)

- Head: Up to 97 m
- Liquid Temperature: Up to +40 °C
- Maximum Solid Particle Size: Up to 50 mm
- Maximum Operating Depth: Up to 20 m

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. **Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
5. **Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
7. **24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
8. **100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.
9. **Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.
10. **Flexible Payment Options:** We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
