Y Series Three Phase Electric Motor

Call for price (01728262625)

Y Series Three Phase Electric Motor

Frame Size : 80-400mm

Power Range : 0.37-630KW

Protection Class: IP55

Insulation Class: F

Mounting Type : Foot mount (B3), B5, B35, B14, B34

Key Features of Y Series Three Phase Electric Motor :

- High Efficiency: Designed to optimize energy consumption, reducing operational costs.
- Low Noise: Quiet operation, minimizing noise pollution in the workplace.
- Low Vibration: Smooth operation, reducing wear and tear on machinery.

- Robust Construction: Durable and built to withstand harsh conditions.
- Easy Maintenance: Simple maintenance requirements for long-lasting performance.
- Wide Range of Applications: Suitable for a variety of applications, including:
 - Machine tools
 - Pumps
 - Fans
 - Conveyors
 - Agricultural machinery
 - Food processing equipment

Technical Specifications of Y Series Three Phase Electric Motor :

- Power Range: Available in a wide range of power ratings to suit different applications.
- Voltage: Typically operates on 380V or 415V three-phase power supply.
- Frequency: Standard 50Hz or 60Hz.
- Protection Class: IP54 or IP55 for protection against dust and water ingress.
- Insulation Class: F or H for high-temperature resistance.
- Mounting Type: Various mounting options, including foot-mounted and flange-mounted.
- Cooling Method: Fan-cooled or totally enclosed fan-cooled (TEFC).

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. Economical Pricing: We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. Rapid Service: Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
4. Extensive Service Network: With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.

5. Affordable Parts: We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.

7. 24/7 Service Centers: Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
